Sir,

Sub: Education - Fisheries school - Polipu - employment of an additional teacher to relieve the prevocational teacher - sanction of.

The sanction accorded in G.O.Ms.No. 1765 Dev. dated 1-4-49 for the employment of one higher elementary grade teacher in Polipu fisheries school was cancelled in G.O. s. o. 1471 Dev. dated 12-4-50. The Assistant Director of Fisheries, Mangalore reports that a higher elementary grade teacher was employed against this sanction from 31-3-50 to 30-4-50 to relieve the prevocational teacher in the school. On receipt of G.O.No. 1471 Dev. dated 12-4-50 the Assistant Director of Fisheries has discharged the teacher. As the employment of this teacher from 12-4-50 to 30-4-50 is not covered by proper sanction, I request that sanction of Government may be accorded for the same.

The Fisheries school at Polipu is a permanent higher elementary school. Standard viii was opened in this school from 1-6-51 as per the sanction accorded in G.O.Ms.No.1648, Dev. dated 11-4-51. The total strength of the teaching staff of the school is 10(3 secondary and 7 higher elementary grade) and these 10 teachers are in charge of the following 10 classes.

One of the conditions of recognition of higher elementary standards is that there should be a separate prevocational teacher for each school. One of the prevocational Instructors at Polipu school is a secondary grade teacher and he is now holding charge of VII standard. It is proposed to relieve this teacher to serve as prevocational instructor. As only secondary grade teachers are allowed to hold higher elementary classes another teacher of secondary grade is necessary for this school. I therefore request that sanction of Governme may be accorded for the employment of a Secondary Grade teacher on s. 45-90 per mensem for a period of two years to relieve the prevocational instructor.

In G.O. Ms No 1765 Dev Dt 1.4.49 sanction was accorded for the employment of a H.E grade teacher in the Fisheries School, Polipposu and this sanction was cancelled in G.O. Ms No 1471 Dev Dt 12.4.50. The D.F. has now reported that a H.E. grade teacher was employed in the School from 31.3.50 to 30.4.50 to relieve the pre-vocational teacher, against the sanction accorded in G.O.
